**The following are options available in attempting to resolve problems with a dentist, dental hygienist, or denturist:**

### **THROUGH THE ARIZONA STATE BOARD OF DENTAL EXAMINERS:**

#### **OPTION 1**

Discuss the complaint with the dentist, dental hygienist, or his or her supervisor. Dentists and dental hygienists are in most cases business people and are sensitive to complaints about their services. You may feel reluctant to approach the dentist or dental hygienist or his or her supervisor about your dissatisfaction, but many complaints are resolved in this manner and it might be your most convenient way to proceed.

#### **OPTION 2**

The Arizona Dental Association has a peer review process. That process is confidential and available provided the complaint falls within peer review guidelines. For more information about this process and its guidelines, contact the AzDA Peer Review Committee at 480 – 344 - 5777 ([www.azda.org](http://www.azda.org))

#### **OPTION 3**

A consumer always has the option of retaining an attorney for the purposes of bringing a personal injury lawsuit or other legal action against a dentist or a dental hygienist.

#### **OPTION 4**

File a complaint with the Arizona State Board of Dental Examiners. In deciding upon discipline, one of the many options available to the Board is the awarding of restitution to the patient and/or insurance company. However, the resolution of a complaint does not guarantee any restitution will be awarded to the complainant.

## **HOW LONG DOES A BOARD COMPLAINT TAKE?**

The resolution of a Board complaint is not necessarily a quick process. Investigations and the review of reports may take two to four months or longer. Investigations involving multiple allegations and many witnesses may require additional time. If a formal administrative hearing is required this may take up to a year or more.

Please also be aware that failing to provide the Board with your identifying information may result in the Board not being able to adequately investigate alleged violations. It also prohibits Board staff from providing you with updates regarding the Board's review and resolution of your complaint.

### **ISSUES WHICH ARE NOT WITHIN THE JURISDICTION OF THE BOARD INCLUDE:**

- ✓ **Billing or fee disputes** (i.e., the amount a dentist charges for services)
- ✓ **Insurance Coverage**
- ✓ **Personality conflicts**
- ✓ **Bedside manner or rudeness of practitioners** (such as the dentist or his/her office staff's attitude or professionalism)
- ✓ **HIPAA Violations** (This falls under the jurisdiction of the Federal Government.)
- ✓ **Scheduling Issues**
- ✓ **Business or contract disputes** between dentists or other individuals.
- ✓ **Employee/Employer disputes**

### **COMPLAINT FORM:**

While we do not wish to complicate the filing of complaints, we ask that you submit your complaint in writing so that it can be properly evaluated. Please provide as much detail as you can regarding all facts which relate to the complaint, including references to records which you may have or know about, and any attempts you may have already made to resolve your complaint with the provider.

**Please be advised in order to investigate a complaint, the Board will subpoena all relevant patient records from dentist who is the subject of the complaint and any dentists who provided prior or subsequent treatment. The Board will maintain all records as part of a confidential investigative file and they will be available for review by the Board, its investigators and the dentist who is the subject of the complaint and his/her attorney.**
