DENTAL HYGIENE

Local Anesthesia and Nitrous Oxide Analgesia Certification

In addition to Dental Hygiene Licensure, dental hygienists may be certified in Local Anesthesia and Nitrous Oxide Analgesia. Requirements of certification:

1. Successfully completed coursework in Local Anesthesia and Nitrous Oxide Analgesia at an Arizona State Board of Dental Examiners approved school.

AND

2. Successfully completed the Anesthesia Examination administered by the Western Regional Examining Board (WREB).

Attached is a list of dental hygiene programs approved by the Arizona State Board of Dental Examiners. If you have graduated from one of the approved colleges, you need to submit the following for certification in local anesthesia and nitrous oxide analgesia:

- Photocopy of your WREB scorecard.
- Proof of successful completion of the course (transcript)

If your dental hygiene program is **not** on the list of Arizona State Board of Dental Examiners approved dental hygiene programs, contact your school and ask them to call for an application to become an Arizona State Board of Dental Examiners approved dental hygiene program.

Approved Anesthesia Courses

State	School	Year Approved
